When you enroll yourself and your dependents in this benefit, you pay the full cost through post-tax payroll deductions. The Voluntary Life/AD&D plan has an **Annual Open Enrollment Feature** that allows current participating employees to increase their voluntary life/AD&D election by \$10,000 without having to provide an Evidence of Insurability, as long as the new elected amount doesn't exceed the Guarantee Issue Amount.

Rates for yourself and your spouse are based on your age; please refer to your voluntary life/AD&D enrollment kit for rates.
